150TH DINNER AT THE TABERNACLE

150TH DINNER AT THE TABERNACLE

THURSDAY 23 JUNE 2022

As President of the Old Pauline Club, I am delighted that we are able to celebrate, together, 150 Years of the Old Pauline Club, as well as its transformation from an old boys' club to a modern Alumni Association.

Through **The 150th Appeal**, we are hoping to raise £1.5m to give talented boys the same opportunity of a Pauline education that we had and to ensure that future generations can experience all a St Paul's education has to offer, regardless of financial circumstances.

For me, at the heart of my sense of what St Paul's stands for has always been John Colet's vision of a School able to educate boys "from all nacions and countres indifferently", regardless of race, creed, social background or financial circumstances. The School has always been a diverse, down to earth and, dare I say, quirky society; we think it's important it stays that way.

At university, people used to say we were more like a London grammar school than a public school: I thought that was spot on. In a rapidly changing world, we want to show some of the enduring values that OPs care about by helping ensure that socio-economic diversity is retained in the school. Our aim is simple: to raise money, not for new facilities, but to support bursaries for potential Paulines whose families cannot afford a Pauline education.

Thank you for your support and for joining us at this historic dinner.
